

Minutes
RISP Spring Meeting, May 9, 2019

In attendance (23): Ali Amin, Mariana Canepa, Sonja Chen, Mark LeGolvan, Shaolei Lu, Diana Treaba, Stephanie Riviere, Veronica Ulici, Fouad Zakka, Gahie Nam, Natalie Banet, Katrine Hansen, Kamaljeet Singh, C. James Sung, Lennie Quimio, Jonathan Wawire, Elizabeth Wu, Sara Maleki, Julia Bassell, Chris Elco, Bradley Gibson, Koorosh Haghayeghi, Rafiq Shahid

Dr. Singh called the meeting to order at 6 pm.

Dr. Singh started by thanking Dr. Mark Legolvan for his contributions as prior President of the society and his help to the new leadership regarding bank account paperwork and renewal of the exempt status of RISP for tax purposes.

Dr. Canepa gave a financial report of the Society: \$13,927.41 on balance.

Dr. Singh and Dr. Canepa mentioned their intention to restore the relationship with the Rhode Island Medical Society and to increase the attendance to the society meetings by bringing important speakers, choosing an interesting topic, etc.

Dr. James Sung (experienced Gynecologic Pathologist, Chief of Pathology and Laboratory Medicine at WIH and past president of the Society) commented on the need to offer CME credits at future RISP Meetings. Many members expressed support to his opinion.

Dr. Singh introduced and called for RISP membership for Dr. Elizabeth Wu. Membership accepted unanimously.

Dr. Singh announced the start of the Case Presentations which proceeded as follows:

- 1- "A 9-year-old boy with hypertrophic adenoids undergoes excisional biopsy" by Dr. Stephanie Riviere
- 2- "A Rare Hybrid" by Dr. Koorosh Haghayeghi
- 3- "A 65 year old with multifibroid uterus on ultrasound" by Dr. Ga Hie Nam
- 4- "More than meets the eye" by Dr. Lennie Quimio
- 5- "A Recurring Lesion of the Upper Back" by Dr. Fouad Zakka
- 6- "A 64 year old woman with a right adrenal mass" by Dr. Veronica Ulici
- 7- "A Challenging Parotid Neoplasm" by Dr. Rafiq Shahid
- 8- "A Rare Sex Cord-Stromal Tumor in a Teenage Girl" by Dr. Jonathan Wawire

9-“A 53 year old woman with family history of Psoriasis” by Dr. Bradley Gibson

The speakers were presented with certificates

Adjournment at 7:50 PM
